

50.

The fiscal year of St. Mary's County shall be [as the County Commissioners elect on or before June 30, 1950, under the provisions of Article 19, Section 49 of the Annotated Code of Maryland (1947 Supplement)] *the period beginning on July 1 and ending the following June 30.* The issuance of "County Certificates" or "Script" is hereby prohibited. The County Commissioners shall direct the County Treasurer to pay all current bills or debts by check as they are presented.

61.

(a) The said treasurer shall ~~keep his office in Leonardtown open from ten o'clock in the morning until three o'clock in the afternoon every working day, except Saturday when he may close at 12 o'clock noon~~ BE FURNISHED AN OFFICE IN THE COURTHOUSE AT LEONARDTOWN AND AT SUCH OTHER PLACE OR PLACES AS THE COUNTY COMMISSIONERS MAY DETERMINE. THE SAID TREASURER SHALL KEEP THAT OFFICE OPEN THE SAME HOURS AS PRESCRIBED BY THE COUNTY COMMISSIONERS FOR OTHER OFFICES IN THE COURTHOUSE, for the purpose of receiving and disbursing taxes as directed by law [for]. On all taxes after the first day of [September] *October* succeeding the day of their levy, due and unpaid, interest shall be charged at the rate of [six per cent per annum] *1/2 of one per cent per month.*

182.

For the purpose of paying the interest and principal of the bonds issued by said Commission as in this sub-title provided for the water supply, sewerage or drainage systems to be constructed, purchased or established under this sub-title, the said Commission is hereby empowered to establish a proper and reasonable charge for connection with said water supply, sewerage and drainage system so to be constructed, purchased or established as aforesaid, and to fix an annual assessment on all properties, improved or unimproved, binding upon a street, road, lane, alley or right-of-way in which a water main, sewer or drain has been built. The said annual assessment shall be made upon the front foot basis, and the first payment shall be collected during the year which the construction is completed on the water supply, sewerage or drainage systems, or in which the systems are purchased or acquired. The said Commission for the purpose of assessing benefits shall divide all properties binding upon a street, road, lane, alley or right-of-way, in which a water pipe or sanitary sewer is to be laid, into four classes, namely: Agricultural, small acreage, industrial or business, and sub-division property, and the Commission may sub-divide each of said classes in such manner as it may deem to be in the public interest. Whenever any water supply or sewerage project in said sanitary district or sanitary districts shall have been completed by [March 31st] *June 30th*, in any one year, regardless of when said construction was commenced, then the said Commission shall fix and levy a benefit charge as of the *following* first day of [January in which the project was completed] *July* upon all property in said sanitary district abutting upon said water main or sewer, in accordance with the classification or sub-division thereof,
